<p>General Comments</p> <p>It was brought to my attention during my inspection that the after-school children are being mixed outside and not maintaining the 15-person bubble implemented by Public Health. Moving forward this always needs to be met.</p> <p>As discussed, moving the 4-year-old into the back room was not approved by our department. A change in service form is required.</p> <p>As discussed, if you accept the junior infants in October, you have too many children registered for the amount of space you have while maintaining the 15 people bubble requirement. You will need to revise your numbers. Please submit a plan to your Inspector on how you will address this issue. If the senior infants are to remain in the junior infant room past the end of September, please submit a change in service form for this as well.</p>
