Order for Compliance	Regulation	Date to be corrected	Date corrected

General Comments

On the day of my visit the majority of the children were finishing up lunch and getting ready for nap time. The 4 year old class was getting ready to go outside.

I was greeted by the director and given a tour of the center and introduced to the educators. I reviewed the staff files. Everything was up to date.

The facility is very clean and there is evidence of planned programming in the classrooms.
