### General Comments

Licensing staff, Susan Dickeson and Troy Williams, arrived at the center and the Operator and the children were playing trucks and basketball in the garage during morning drop off. Everyone moved into the main play area for free play.

The playroom is bright and clean with lots of building materials, loose parts, a playhouse, a kitchen and plastic food and pans to go with the play. The room is organized and there were examples of the children's arts and crafts in a binder. The children made a craft with colored shapes and balls and craft paper and glue. Dress up clothes were hung up in the corner.

Diapering was observed on a mat on the floor in the bathroom. The diapering procedure form is posted in the bathroom.

Operator stated that today's snack was applesauce, raisins, crackers and cheese.

Due to the extremely cold weather everyone played indoors this morning.

Operator will post her learning stories on the walls so the children can see their learning.
