General Comments
A Monitoring Inspection was completed this morning. Children were getting ready for their lunch, at QAM's arrival. Children were observed washing their hands before eating. Children were observed sitting at their table, eating, and pointing to pictures on the wall, that contained food. Children enjoyed pointing to and saying the word Apple. Educators were engaged and they sat with the children, during lunch and play. Children's present interests include Balls, Blocks, Cars, Coloring, and Painting. Documentation was observed throughout the room. Examples of documentation included: Sensory Play, Messy Play, and Squirrel Facts. Each child also had individual binders, showing their past activities and artwork. Educators stated that they were in the process of adding more documentation, ones relating to Ball Play and Nature Observations - Squirrels. Educators were observed reading to children, as they were preparing for nap time. Children were observed getting ready for their naps, and the nap room was set up and ready for the children.
