Purposeful planning is evident through documentation displayed throughout the learning environment. Documentation includes connections to the NB Curriculum Framework and next steps. Materials have been added to the play area that support the children's current interests (costumes, balls, magnet tiles and stuffed animals). Diaper changing procedures were observed to be followed. The educator was observed engaging with the children in a positive way during diaper changing routines. Daily information sheets are completed for each child under 24 months. Handwashing routines observed after diapering and before lunch. Daily attendance forms are completed and accurate. Monthly fire drills are documented. New staff file (2) review was completed, all required documents in place.
