<p>General Comments</p> <p>On the day of licensing's monitoring visit the after-school program stayed at Connaught St. to play in their outdoor playground. The children were drawing in the covered table area, swinging on the swings and playing on the climbing structures. It began to rain so the group walked over to the Grace Memorial Church where the program is located in the gym during the school year.</p> <p>The postings are up to date by the entryway, and the program was set up in stations for the children. There is a section for blocks, building and lego which had an ongoing project, a kitchen and dramatic play area, a cozy corner for reading and tables for arts and crafts and games. At the end of the gym the children were playing a soccer game with their educator. The gym is clean and airy with lots of space for different types of play.</p> <p>The school year is over tomorrow, and the children were very excited to almost be done. The staff were kind and patient with the children and helped direct their energies pro-actively and engaged in their play.</p>
