28(3) The premises of a licensed facility shall comply with (a) lighting, ventilation and other general health standards under the Public Health Act.	28(3)(a)	Feb 24, 2020	
Comments: Hand-washing not observed during the following times: Arrival from school, after feeding the fish and before snack. Discussed with educators and administrator. Review Public Health Hand-washing procedures and Pets/Animals (3.2 & 3.9) with all staff.			

<b>General Comments</b>
Children observed engaged in building, art, mini-sticks, and sand play. There is a wide variety of loose parts and "real" items available for the children to interact and engage with.
Educators were observed having meaningful conversations with the children and children appeared happy and content in their environment.
The learning environment is set-up prior to the children's arrival and they have the opportunity to explore in whichever area they choose.
