<p>General Comments</p> <p>A monitoring inspection occurred in the afternoon.</p> <p>The children were observed engaged in a variety of indoor activities, including playing basketball, drawing, and creating art, exploring the sand table, building with Lego, looking at books, and engaging in family play in the dramatic play area. The children also shared with licensing that they help care for their pet fish, "Fisher" and "Speedy," by feeding them. Educators indicated that the children are currently interested in sports and outdoor activities.</p> <p>Traffic areas are kept clean, and outdoor walkways are free of clutter. Toxic products such as cleaning agents are securely locked and inaccessible to children.</p> <p>Positive child guidance techniques were observed. The educators were engaging at the children's level, providing appropriate supervision, using encouraging language, offering choices, and assisting children with decision-making.</p> <p>A clearly visible and prominent area was designated for the posting of the facility license, current monitoring reports, and any orders for compliance. Additional documents reviewed included incident logs, daily attendance records, three educator files and records of evacuation and monthly fire drills.</p> <p>A conversation took place with the Administrator regarding the following:</p> <ul style="list-style-type: none"> • Educators are to ensure that children's learning is visible and current within the classroom through ongoing documentation.
