Order for Compliance	Regulation	Date to be corrected	Date corrected
10(1) The number of educators that are required for a group of children of mixed ages receiving services at a full-time or part-time early learning and childcare centre is calculated as follows: (a) by multiplying the number of children of the same age by the corresponding factor set out in Schedule A; and (b) by adding the results obtained under paragraph (a).	10(1)	Jan 12, 2021	Jan 12, 2021
Comments: Deficiency is now compliant Educator took the class outside to play while one child was left inside the facility unattended. Be sure to count the number of children present before going outside or coming in.			

General Comments
Educators are doing an excellent job in reminding children to wear their masks while in common areas (orange phase directive), and the children are also doing an excellent job in following their educators reminders.
