General Comments

Children were finishing up snack and getting ready for circle time when I arrived. During circle time the educator read the book " Little Blue Truck's Valentine Story"

After circle time the children were able to have some free play time. The children participated in a variety of activities such as craft table, magnetic blocks, dramatic play kitchen area and costume play.

The children in the other room had created their own movie theater with chairs, a large yellow cushion as the TV screen. The children took turns acting as the other children watched them. The children were also observed using playdough at the table and playing with the farm animals and the barn.

After lunch all three groups went outside. Two groups went to the wooded area while the other group stayed in fenced in area. There was a variety of opened play materials for the children to play in the snow and build with. The children seem comfortable in the environment and familiar with the daily routine.

Children and staff files were reviewed. Please review staff files as couple educators need updated job descriptions in their files.
