General Comments
Visit done at the facility for a monitoring inspection.
Ratio was respected and no non-compliances during this visit. During the monitoring inspection, the diaper changing area and procedures were observed.
Quality assurance monitor was able to observe kids play indoors, a Remembrance Day craft and snack time. QA monitor observed the operator facilitate children's learning by engaging in play and asking open-end question.
The children shared with the QA monitor what they learned this week at daycare. They were talking about how the digestif system works. The operator explains that this subject came from questions children had earlier in the week. This is evidence of purposeful planning based on children's interest and learning.
