### General Comments

The Quality Assurance Monitor is on site for a monitoring inspection.

The following items were verified during the visit:

- Indoor play area material and equipment
- Children's personal belongings
- Nutrition
- Child-to-staff ratio

A visual inspection of the indoor play area material and equipment demonstrates compliance

The indoor play area is:

- safely maintained;
- free of clutter and excess materials and equipment; and
- arranged to allow opportunities for free choice of activities

Easily accessible storage space for the personal belongings of each child in attendance is provided.

At the time of the visit, children are doing crafts with the educator. Positive interaction between the educator and the children is observed.
