General Comments			
Children and staff files were reviewed. All the files contained the required documents. A few learning centers have been set up throughout the room. There is a defined block play area, dramatic play kitchen area and a craft area. There is evidence a preplanned activities based on the webbing that was seen on the walls. The two topics were Valentine's Day and dinosaurs. Please remember that Fire Drills and playground check lists need to be completed each month and documented.
