### General Comments

On the morning of my visit the children were enjoying some free play time while the others arrived. Once everyone was settled in the educator read a story to the children. The discussion of the day was "International Day of Peace" and a video was watched about the sequoia tree. (the largest tree in the world).

The rest of the morning was spent at the park by Hubbard elementary school. Once they arrived the children enjoyed more free play on the play ground then had snack. After snack was completed the younger children played a number game and the older children had a discussion about the poem they had read the previous day.

During the excursion the educators followed the proper protocols with the attendance tracking forms, first aid and making sure children used wipes to keep their hands clean before and after snack time.
