| <p><b>General Comments</b></p> <p>A renewal inspection occurred on the license.</p> <p>The children were observed, by the Inspector, during morning inside play, outside play, lunch, napping, quiet time, diaper changing routines, handwashing, and waking from naps.</p> <p>Upon arrival in the infant room, Inspector observed the educators preparing the children for outside play. Pictures of the children playing outside was observed as well as samples of the children's art.</p> <p>In the two's room, Inspector observed the children creating a "Bee" from paper, glue, colored popsicle sticks and google eyes. Documentation on the wall was observed of the children engaged in making music, slime, playdough and pretending to roast marshmallows.</p> <p>Inspector observed in the 2-3-year-old room the children were participating in a dance party. Samples of the children's mark making were observed on the walls. Children have been exploring differing types of bug and samples of art was observed displayed throughout the learning environment.</p> <p>In the 4-year-old room, Inspector observed samples of the children's art displayed on the walls. Pictures of the children engaged in messy play, exploring melting ice, creating a sandstorm in a jar, creating watercolor butterflies, and exploring nature looking for bugs on their walks.</p> <p>Discussions occurred with the educators in all learning environments regarding documentation. Facility utilizes a private Facebook page to share the children's learning and exploration with families. Licensing is required to observe purposefully planned and documented learning for the children. Inspector recommended to the</p> |
|---|

General Comments

Administrator and educators a binder in each of the rooms where samples of the children's learning can be kept for review by the Department of Education and Early Childhood Development during inspections.

Educators and Administrators noted that in the mornings, except for the infant room, all the children are dropped off outside in the fenced in play area.

Educators were observed, during the inspection, tending to the needs of the children, speaking kindly to them and using positive child guidance techniques.
