General Comments
<p>A Monitoring Inspection was conducted this morning. The babies were observed in their highchairs, finishing their snacks. The educators stated that the babies are presently interested in music, singing, cars, and trains. The 2's, 3's, and 4's rooms were observed while the children were outside. Several well-defined learning / play centers were observed in all rooms – dramatic play, arts & crafts, building, books, transportation, and music. Several forms of documentation were observed – photos, artwork, and learning stories. The outside fenced in play area was observed. Children were observed playing on toy vehicles, climbing, and playing with balls. A conversation was had with administrator regarding the outside play area and surfacing. The infant area is required to have two separate play surfaces.</p>
