ELCC Licensing Staff Angela Tozer	Position Title Quality Assurance Monitor		
Order for Compliance	Regulation	Date to be corrected	Date corrected

General Comments

Licensing staff attempted to conduct a monitoring inspection, but no one was present. The operator had shared with licensing staff at the beginning of the summer they would be on daily outings however, licensing staff took the chance the operator may be home during the afternoon today. Public health posters were left in outdoor entryway for operator to post.
Licensing staff will return at a later time to complete a monitoring inspection.
