31(4) An operator shall ensure that the outdoor play area of a licensed facility (a) includes a shaded area that is at least 10% of the outdoor play area.	31(4)(a)	Jul 06, 2021	
Comments: A shade area that is equivalent to 10% of the measurements of your outdoor space must be added.			
31(4) An operator shall ensure that the outdoor play area of a licensed facility (b) consists of more than one surface to permit different types of play.	31(4)(b)	Jul 06, 2021	
Comments: The outdoor play space must also consist of more than one surface to permit different types of play.			
33(2) Stationary equipment in the outdoor play area shall be surrounded by a protective surfacing and installed according to the manufacturer's instructions.	33(2)	Jul 06, 2021	
Comments: The outdoor playground needs protective surfacing around the dome and any other climbing equipment. Please make note of the depth requirement in the Operator Manual based on what material you will use.			

<p><b>General Comments</b></p> <p>When I arrived one group was doing individual play and the other was doing show and tell. Only one group was able to make it outside during the time I was there because it started to rain. In the afternoon, the children engaged in circle time and reading.</p> <p>The rooms are clean and well organized. The children have access to different types of learning materials that are based on the Montessori program.</p> <p>The staff is respectful, attentive and engaged with the children. The staff always talk to the children at their level.</p> <p>Toxic products must be locked by key and not accessible to children. Therefore, half walls are not permitted. A full wall must be added, or the toxic products must be moved to a cabinet that can be locked by key.</p>
