General Comments
<p>Completed monitoring inspection today. COVID-19 screening was completed at arrival. The infants and preschool children were engaged in outdoor play this morning and observed to be playing in the snow.</p> <p>Lunch time routine was observed for preschool and infant groups. The children were engaged in conversation with each other and their educators. Hand washing routines were also observed within the preschool room. Diapering routine was observed within the infant room. Educator was engaged with infants while diaper changing and promoted language through the labelling of body parts.</p> <p>Ensure COVID-19 screening tool is the most up to date version. Recommended monitoring the operator portal for updates.</p>
