General Comments
Monitoring Inspection:  Children and educators observed engaged in a variety of activities this afternoon including art, BINGO, Lego, dramatic play, board games, bracelet making, playdough and exploration of loose parts.  Each room is set up with a variety of materials and invitations. Purposeful planning is evident in each environment through documentation and invitations. Materials have been added to support the children's current interests (superheroes, Lego and poisonous animals).  Muffins, cheese and milk were served for snack. Monthly fire drills - documented.
