Order for Compliance	Regulation	Date to be corrected	Date corrected
39(2) A licensed facility shall have a separate locked storage space that is inaccessible to the children for each of the following: (a) toxic products, chemical products and cleaning supplies;	39(2)(a)	Jul 21, 2021	Jul 21, 2021
Comments: Inspector found one container of shaving cream in small cabinet of infant sleep room. Shaving cream is considered a toxic product and must be kept locked with a key. Item was immediately removed by Operator and placed in the locked medicine box. The locked box is attached to the wall but the key left was left in the lock. Inspector requested the key be removed. Operator removed key and placed on top of lockbox out of reach of children. Deficiency is now compliant.			

General Comments
Inspector observed children engaged in snacks and play.
Inspector discussed planning and documentation with Operator.
All requirements for renewal have been met.
