General Comments

Monitoring visit performed by Joanne Voye Page and accompanied by Troy Williams.
Purpose of today's visit to introduce a new ELC Quality Assurance Monitor Licensing staff to the Administrator. He will be your direct contact with the licensing department. Please update your parent board to reflect this change effective Feb 1st. Troy's contact information is 506-453-5795 or Troy.Williams@gnb.ca.
Covid -19 ELC active screening guidelines upon entry were being followed for Orange Alert phase during my visit. Staff were also observed wearing a mask indoors and outside. Please ensure it fits over the nose and mouth securely. Staff are tracking the daily log sheet. Please ensure group bubbles remain intact all day. I requested to review staff information ie. staff checks and/or education qualifications. Some staff are registered to take the training . Confirmations are located in the staff files, however the centre is not meeting Regulation 11(c) ii A. That is, As of July 1st 2020, at least 50% of educators must hold a 1 year ECE certificate or training that is equivalent. I base this on the content of staff files.
Attendance records were also reviewed of staff and children and these are being tracked..
