General Comments
Shelving units have been purchased. Torn and ripped books have been removed; however, no replacement books were added the classroom. Outdoor play space has numerous broken items that need to be removed and replaced. The sandbox was not covered as per public health standards. The wooden boat has broken seats. This item needs to be repaired or replaced. There is a large wooden planter in the afterschool outdoor space. The item is damaged and needs to be removed from the area. A plastic structure has been torn apart and is laying in the grass. This item needs to be put back together or removed from the play space. During the visit I noticed children's artwork hanging on the walls in each classroom and children were given notice when a transition in activities was approaching.
