The parent board has been updated. The latest reports have been posted.

Fire drills were started in March.

The carpet and rugs throughout the facility have been vacuumed and cleaned. A couple rugs were removed for the classrooms.

The white storage cabinet in the preschool room and the black leather storage box in the two-year-old were both removed.

Materials were added to all rooms. Books and puzzles were added to the infants and two-year-old room. More opened craft materials were added to the preschool room.

The center seems to be running smoothly on the day of the visit. Positive child guidance was observed.
