Comments: Deficiency is now compliant			

General Comments
<p>When I arrived the Infants were playing on a bouncy castle the educators set up in their room. The children seemed to be enjoying it.</p> <p>The mixed classroom was having a cleaning and organizing day. I went outside with this group. The play ground is in good condition and there are plenty of materials to keep the children occupied. The children were enjoying the slides, sand, balance beam. There is plenty of shade for the area.</p> <p>The 2 year old room was having a bit a free play, some were being read a story by an educator. I observed some of the children having their bums changed and getting ready for lunch. Proper procedures were being followed.</p> <p>There is evidence of planned activities scheduling. The staff seem to be communicating and working well together.</p>
