General Comments

The facility was running smoothly when I arrived. The Two's and Three's groups were in the outdoor play area. The four year old group were busy with a variety of activities from making a tie for father's day, to playing with cars, lego and blocks.

Staff files were updated as there were 2 new staff members since my last visit.

The facility is using the proper administration forms such as administration of medicine, potential illness forms and notice of illness forms.

The educators and children have planted pumpkins, squash, brussel sprouts, tomatoes and beans in their garden.
