General Comments
<p>New staff have been hired since the last visit. Two educators started on Monday and are beginning to learn the daily routine of the facility. The children seem to be adjusting well to the new educators.</p> <p>Staff files were reviewed. All staff files contained the required documents.</p> <p>When inspecting the outdoor space, licensing staff noticed the wooden structure for summer shade is beginning to show signs of rotting and may need to be replaced this summer.</p> <p>The gate to the playground does not latch properly due as the snow needs to be cleared away. Also noticed the entrance to the outdoor play space has a slippery slope due to the buildup of snow and ice. Children were slipping on the ice and falling as they left the playground. Please salt or sand this area to prevent the children from falling and remove the snow so the gate can latch properly.</p> <p>The two's and four's room were painted and re-arranged on the weekend. The new paint has made the rooms much brighter.</p> <p>Educators were involved with the children's activities and attentive to their needs.</p>
