| General Comments |
| Licensing staff arrived at the licensed facility to conduct a license renewal inspection. |
| Child to staff ratios were in compliance according to the Early Childhood Services Act. |
| The educators were engaged with the children throughout the inspection. |
| Purposeful planned activities were observed in each classroom. |
| Licensing staff recommends that the educators use a chalkboard outside to help them keep track of the number of children when the classrooms combine the age groups in the outdoor play environment. Write how many children are in each age group and the name of the educator responsible for each class. |
| Two of the white shelving units in the 2/3-year-old classroom are wobbly. Please tighten the bolts on these two pieces of furniture. |
