Comments: During the follow-up inspection, the Quality Assurance Monitor reviews three child records. All child records reviewed include proof of immunization or an exemption. Deficiency is now compliant			

General Comments
The Quality Assurance Monitor is on-site for a follow-up to the monitoring inspection.
Regarding regulation 22(5) in the Early Childhood Services Act: Immediately on demand by an inspector, the operator or administrator of a licensed facility shall produce a record or document required by the inspector under subsection (4). During the follow-up inspection, the Quality Assurance Monitor has access to the associated person's file. Deficiency is now compliant.

General Comments

The Quality Assurance Monitor is present during the morning indoor and outdoor play periods. The children engage in a pumpkin investigation activity. They discuss what they have learned about pumpkins over the past two weeks and add this information to a floor book.

During the visit, the ratio is respected.
