| General Comments |
| <p>A monitoring inspection was completed today.</p> <p>A balance of indoor and outdoor play occurred during the inspection.</p> <p>Educators were observed to engage in play alongside children. Supporting, assisting, and engaging in conversation with children. Educators were observed to use positive language in interactions with children and encouragement when preparing for outdoor play.</p> <p>Please update Inspector/Investigator contact information on parent board.</p> <p>Discussed with operator use of class dojo as a way to engage with parents and provide opportunities for families to see the play and learning their children are engaged in. Reminder to ensure that documentation posted in the indoor environments is current and reflective of children's interests and learning. Printing directly from Class Dojo and posting in the environment ensures children have opportunities to see and revisit recent experiences.</p> |
