General Comments
<p>A renewal inspection occurred today. Educators had each learning environment set up and ready for the children's arrival. The theme was "valentines" and they had paper chain heart and also key chain hearts to paint. Props and materials were reflective in children's current interests. Materials were open-ended to provide multiple choices, solutions and possibilities for exploration and investigation. Documentation demonstrated children's ongoing group project work and individual work in progress.</p> <p>One emergency contact phone number was missing but added and complete before report was complete. All staff and children's files were reviewed and complete. All checks were also verified and complete.</p>
