General Comments

A Monitoring Inspection was conducted this afternoon. School aged children were observed walking from their school to their after-school program. Children were observed playing on the playground, gathering leaves, practicing gymnastics, and exploring the woods.

Room 1 - Educators stated that the children are interested in dinky cars, and imaginative play. Educators stated that the children enjoy playing "Government". The indoor environment was observed while the children played outside. An arts and crafts activity was observed on a table.

Room 2 - Educators stated that the children are interested in gymnastics, building forts, climbing trees, board games, and pumpkins. The indoor environment was observed while the children played outside. Several invitations were observed - Halloween themed would you rather, Halloween sensory bin, and Halloween tic tac toe.

Positive child guidance techniques were observed in both groups - educators using positive language, educators providing appropriate supervision, and educators conversing with the children.
