Order for Compliance	Regulation	Date to be corrected	Date corrected
25 An operator of a licensed facility shall post in a clearly visible and prominent place on the premises: (a) the daily routine.	25(a)	Dec 11, 2025	
Comments: During the monitoring inspection, it was noted that the daily routine was not posted in a visible and prominent location within the facility. The daily routine for both a part-time day and a full-time day (school closures) must be displayed in a visible and prominent place in the facility.			
25 An operator of a licensed facility shall post in a clearly visible and prominent place on the premises: (g) whether a child receiving services at the licensed facility has a life-threatening allergy and a description of that allergy.	25(g)	Dec 11, 2025	
Comments: There are two children with allergies, including one who requires an Epipen. The posting for life-threatening allergies was not displayed in the facility. Life-threatening allergy information must be posted in a visible and prominent location within the facility.			

<p>General Comments</p> <p>The Quality Assurance Monitor is on site for a monitoring inspection.</p> <p>The following elements were verified:</p> <ul style="list-style-type: none"> - Child to staff ratio - child record files and signed consents - incident records - posting - indoor play area - New staff member's files <p>All child record files verified are in order, and incidents are well documented. A visual inspection of the indoor play area material and equipment demonstrates compliance.</p>
