11 The qualifications and training requirements for administrators and educators are as follows: (a) an administrator and educators must hold a valid first aid certificate and a valid cardiopulmonary resuscitation certificate;	11(a)	Nov 05, 2026	
Comments: During the inspection, the Quality Assurance Monitor observes that one staff member does not hold a valid First Aid and Cardiopulmonary Resuscitation (CPR) certificate. All staff members must hold a valid First Aid and CPR certificate approved by WorkSafeNB. The staff member in question must not be left alone with children until an approved certificate is obtained.			
26(2) The operator of a licensed facility shall require the parent or guardian referred to in subsection (1) to sign a declaration confirming that he or she has read and understood the content of the handbook.	26(2)	Oct 29, 2026	
Comments: During the inspection, the Quality Assurance Monitor observes that the signed statement confirming the parent has read and understood the parent handbook is missing from 1 of the 11 child files reviewed. The operator must ensure that the signed statement confirming the parent has read and understood the parent handbook is completed and included in each child's file.			

General Comments
The Quality Assurance Monitor is on-site to conduct a monitoring inspection. The Quality Assurance Monitor is present in the morning during snack time and outdoor play. Staff members are observed encouraging and supporting children during transitions. The following elements were verified: - ratio and maximum number of children - child records - signed consents in the children's files - incident records - personal belongings - premises - medications - outdoor play area

General Comments

- outdoor play area materials and equipment

A discussion took place with a staff member regarding the children's files. All children's files should be reviewed to ensure that the complete address of their medical practitioner is included in the file.

During the visit, the ratio is respected.
