Comments: bottles must be identified with the child's name. This was done during my visit.			

General Comments
<p>Renewal inspection carried out on December 10.</p> <p>At the time of my visit, the daycare center was in compliance with the ratio.</p> <p>I observe free play, snacks, lunch and outdoor games. The outdoor playground has also been checked out. The swing is removed in winter, as snow is not a protective surface.</p> <p>Some children also do arts and crafts.</p> <p>School-age children arrive later, around 3:10 pm. They have their snack and went outside.</p> <p>Professional development hours are completed by all staff.</p>
