General Comments
During my unannounced morning visit, I observed that the required staff-to-child ratios were maintained for all age groups in attendance. In addition, children under 2 years of age were not mixed with other age groups. - A new employee file was reviewed, and personnel information updates were completed. - Eight files for children under 2 years of age were reviewed, including signed consent forms. - Minor incidents were properly documented and signed by parents. No major incidents were reported. - Designation: The required professional development hours have been completed for the educators concerned. Observation: Snack time was observed. The daycare provided cereal to the children. The toddlers and two-year-old children were outdoors during my visit.
