The Quality Assurance Monitor is on site for a monitoring inspection.

The Quality Assurance Monitor is on site during the moment of transition to the outdoor and outdoor play.

The Quality Assurance Monitor observed staff members actively encouraging children during the transition period. The Quality Assurance Monitor also observed the children engaging in various activities, including playing with balls, driving small toy cars, navigating an obstacle course made of beams and tires, and dancing to music.

The Quality Assurance Monitor verified these items:

- ratio and maximum number of children
- posted in a visible and prominent place in the facility
- child guidance
- personal belongings
- diaper changing

During the visit, the ratio is respected.
