### General Comments

- Visit done at the establishment in the morning for a monitoring inspection.
- Ratio was respected during the visit.
- Positive child guidance was witnessed during the visit.
- Parents of children at the centre are granted entry at anytime.
- Toxic products are stored locked and inaccessible to the children.
- Incident reports are completed, signed by the parent, dated and a copy is maintained in the children's file.
- Observations: 2-year-old room: upon my arrival the children were preparing to go outside to play.
- 3-4-year-old room: outdoor play
- 4-5-year-old room: snack time, story time, and outdoor play.
- Different types of documentation are being used at the centre, learning stories, ongoing projects and portfolios. The documentation demonstrates the children's interest and progress through time.
- Discussion with the director on incident reports.
