### General Comments

- Visit completed at the facility in the morning for a monitoring inspection.
- During the visit 15 out of 35, children's files were verified. The child's files contain all required documentation.
- The consent forms are signed by the parent or guardian and added to the child's file.
- The outdoor play area materials are varied and in sufficient quantity for all the children present. There is no stationary in the outdoor playground.
- Observations:  
In all groups children ate their snack, which is provided by the parent or guardian, participated in free play and went outside to play.  
In the 3-year-old room, the children went on an excursion in the community.  
Parent arrival was witnessed.  
In all rooms the educators were engaged in the children's play at the child's level. The educators were singing and discussing with the children.  
4-year-old room: The educator read a story to the children. After story time, the educator put on music and played a game of freeze on the spot with the children.
