<p><b>General Comments</b></p> <ul style="list-style-type: none"> <li>- Visit completed at the establishment before lunch for a monitoring inspection.</li> <li>- Ratio was respected during the visit.</li> <li>- During the visit 15 child files were verified. Children's files include consent forms that are signed and dated by a parent or guardian.</li> <li>- Diaper changing stations are in the classroom washrooms. Each child has an individual storage space for diapers and changing supplies. The changing table is equipped with a safety strap. It is separated from food preparation areas and is located one metre or less from a sink. Children are always supervised during diaper changing routines.</li> <li>- Toxic products and cleaning supplies are locked in the office and inaccessible to children.</li> <li>- Observations:</li> <li>- Upon my arrival, the children were coming in from outside. In all classrooms, the children ate lunch provided by their parents and then had a nap. During lunchtime, the educators were engaged with the children. They were seated at the table with the children, discussing and interacting with them.</li> <li>- The new communicable disease posters were distributed during the visit.</li> </ul>
