General Comments
A renewal inspection was conducted on July 13, 2026. At the time of the inspection, the staff-to-child ratio was verified and found to be in compliance with regulatory requirements. Observations were conducted throughout the day and included free play activities, reading experiences, outdoor play, meal service, and rest time. The outdoor play area was also inspected. Several modifications have been completed since the previous inspection, and the outdoor environment was found to meet applicable requirements and standards. A review of the facility's records was conducted. All files examined were complete, up to date, and compliant with regulatory requirements. In addition, verification of professional development records confirmed that educators have completed the required training hours.
