General Comments
<p>After school program is currently not running at this location.</p> <p>Facility promotes a very bright and welcoming environment. The environment is set up in a way that promotes independence by arranging all play material on low shelves so that children can have the choice to pick their own toys.</p> <p>It was nap time when I arrived today. Some children were sleeping and others were playing quietly. Educator was observed on the floor playing quietly with the children who were not sleeping.</p> <p>Observed positive child guidance practices such as offering choices, assisting children in decision making and using gentle reminders when needed.</p>
