<p>General Comments</p> <p>On the morning of my visit, the children were finishing up painting and were getting ready to play outside on the deck.</p> <p>The deck is set up with a large canopy for shade and a wide variety of materials for the children to choose from. There was a cozy reading area with pillows and blankets, a child sized picnic table with a clipboard, markers, a computer screen and keyboard set up as an office. There were balls, trucks, water and sand play, playdough and other mark making materials.</p> <p>The operator continues to serve meals and snacks and a new menu for June was posted.</p> <p>She is also beginning to keep a reflective journal and has completed some learning stories for each of the children. They were very well done!</p> <p>Child profile forms were checked and are complete.</p>
