General Comments

Name of operator

A renewal inspection was conducted today. Children were observed during snack, indoor and outdoor play. The indoor environment is set up a with variety of interest centres and children's learning is displayed on the walls in the form of learning stories, charts, webs, pictures and art.

The educators discussed the professional learning they have been taking and evidence of this is alive

General Comments

throughout the room in the way the environment is set up to engage all the children.

The educators were observed speaking and interacting positively with the children in all areas of the learning environments.

The children appeared happy and content with their educators and were observed actively engaged in activities both inside and out.
