General Comments

Monitoring Inspection:

Children and educators observed engaged in a variety of activities this afternoon including stories, music and movement, and yoga. The learning environment is set-up with a variety of materials and invitations for the children to explore. A "Valentine's Cafe" has been set-up in the dramatic play area.

Purposeful planning is evident through documentation displayed throughout the room. The children have been learning about photography and have been exploring taking photos of items and people in their world. Documentation of this ongoing interest is displayed for the children to revisit. Each child has a portfolio of learning stories, photos and art pieces to share with their families.

Monthly fire drills are documented.
Daily attendance forms are complete and accurate.
Hand washing routines observed.
New staff file (2) review was completed, all required documents are in place.
