General Comments			
Renewal Inspection: When licensing staff arrived, the children were observed in the outdoor play area. Sprinklers and water play was set up to help the children stay cool. The children were observed playing in the sand and coloring. The children were observed washing hands after returning from outside play and before having snack. The children engaged in free play after snack. The children were observed engaged in art, playing with lego, magnetic blocks, and building blocks. The Educators were observed supporting children by helping them problem solve and encouraging them to talk to their peers to resolve conflict. Documentation and pictures of the children reflected the children's on-going learning interests. Educators displayed the children's learning around the classroom environment and reflects the New Brunswick Curriculum Framework. This allows children to revisit their previous play experiences as well as values the outside play environment. The following records were reviewed: Incident logs, fire drills, and daily attendance sheets. A review of all staff and child files were completed.
