<p><b>General Comments</b></p> <p>There are different materials and learning centres available to the children such as blocks, art materials, books, cars, etc...and they are easily accessible on low open shelving. The educators have planned Christmas activities for the children and were setting out an invitation for play during my visit.</p> <p>The educators were engaged with the children. Positive child guidance was observed, and gentle reminders were given when their behaviors became too risky. Children seem to have a good rapport with the educators.</p> <p>Documentation for licensing was complete and easily verified.</p> <p>Licensing staff can recommend facility for licensing.</p>
