- Visit done at establishment in the afternoon for a monitoring inspection.
- Ratio was respected during the visit.
- The following activities were observed during the visit: nap time, free play, handwashing and snack time. I observed some children were playing with playdough and reading stories during nap time.
- Documentation is seen throughout the centre. Learning stories are posted at the child's level. Each child has a portfolio. Presently the children are working together on a snowman project.
- In the afterschool room some children were working on a Lego activity, some children were colouring and others were playing cards with the educators.
