<p>General Comments</p> <ul style="list-style-type: none"> - Visit done at the establishment in the afternoon for a monitoring inspection. - Ratio was respected during the visit. - In all rooms, evidence of purposeful planning based on children's interest and learning, invitation, photos and learning stories were posted. - The children's file is complete with all pertinent information. - Each child has its own individual space to put their belongings. - Medications are locked and inaccessible to the children. - Observations: Upon my arrival the children were having naptime. 2-3-year-old: created art, washed their hands and had snack. After schooler's: free play and snack. 3-4-year-olds: handwashing, creating art, handwashing washing and snack. When I was leaving the establishment, the children were preparing to go outside. - Discussion with the educator concerning the children's files.
