Type of Facility Full-time Early Learning and Childcare Centre	Maximum Number of Children 36	Ages of Children INFANTS PRESCHOOL
ELCC Licensing Staff Veronique Berube	Position Title Quality Assurance Monitor	

Order for Compliance	Regulation	Date to be corrected	Date corrected
11(c)(ii) The qualifications and training requirements for administrators and educators are as follows: (c) at a full-time or part-time early learning and childcare centre, (ii) on and after July 1, 2020, (A) at least 50% of educators must hold a one-year Early Childhood Education Certificate or training that is equivalent in the opinion of the Minister, and (B) an administrator must hold a one-year Early Childhood Education Certificate or training that is equivalent in the opinion of the Minister.	11(c)(ii)	May 01, 2023	
<p>Comments: A written plan was submitted to the Quality Assurance Monitor, given that this has been an ongoing non-compliance since the renewal inspection from 2023. The facility currently has one educator who completed her ECE and two others who will graduate in April with their ECE. At the end of April 2026, the facility will have the administrator and at least 50% of educators holding a one-year Early Childhood Education Certificate or equivalent training.</p>			
35 An operator of a licensed facility shall not permit a child receiving services at the licensed facility access to a trampoline.	35	Apr 09, 2026	Apr 09, 2026
<p>Comments: While the Quality Assurance Monitor was taking the child to staff ratio in the outdoor play area, a small kid's trampoline was observed at the availability of the children. An operator of a licensed facility shall not permit a child receiving services at the licensed facility access to a trampoline. The Quality Assurance Monitor informed the educator that the trampoline must be completely removed from the outdoor play area. The administrator asked the Quality Assurance Monitor if the trampoline can be moved to the indoor play area. The Quality Assurance Monitor informed the administrator that the trampoline cannot be accessible indoors and outdoors to the children. Deficiency is now compliant.</p>			

<p><b>General Comments</b></p> <p>The Quality Assurance Monitor is on site in the morning to conduct a follow-up inspection. The child to staff ratio was respected.</p> <p>The Quality Assurance Monitor observed the children playing in the outdoor play area.</p>
